

Car Rear View Camera
IP67 Waterproof Back View Camera

720P 1.3MP AHD 170 ° Wide Angel Back View Camera

Feature:

- *Rear view camera
- *Sensor: 1.3 Megapixel 720P AHD
- *Support AHD and Analog standard definition output, the image is crisp and clear,960p.
- *No delay, no compression, low loss real-time transmission.
- *Car high-definition large-screen dedicated rear view camera, ultra-high clear image display.
- *Using imported lens, large wide angle of 170 ° , distortion small no black angle.
- *High reliability,IP67.
- *Adopt wide voltage design, more secure and more stable for power supply.
- *Application scenarios:
common used in car, MPV, Van etc, rear view camera.

Specification:

Model	EMV033WF
Image Sensor	1/3" progressive scan CMOS
Horizontal Resolution	1.3Mega pixel
TV system	PAL/NTSC
Effective pixels	1280(H)*960(V),720P
Minimum Illumination	0.01Lux@(F1.2,AGC ON),0 Lux with IR
S/N	≥44dB
Auto Gain Control	Support
Back light compensation	Support
White Balance	AUTO
Digital Noise Reduction	Adaptive digital noise reduction,2D/3D-DNR
Electronic Shutter	AUTO/1/50 (1/60) -1 (50, 000Sec)
Video Output	Follow AHD standard
Image Function	Original/Reverse image
Output Adapter	4P aviation head cable
Lens	1.5mm, M12*P0.5
IP grade	IP67
Operating Temperature/Humidity	-40°C~+85°C/Humidity≤90%(No condensation)
Power Supply	DC12V±10%
Power Consumption	≤0.6W
Dimension	32*23.5*23.5(mm)
